

2019 JUNE

GREEN = SLOWER GROUP

RED = FASTER GROUP

BLUE= BOTH GROUPS

In an effort to allow people to ride in the group they will feel more comfortable in, new for 2019 we are going to ride in 2 different groups. A slower group which will ride a little slower and shorter, will be shown in **GREEN ITALIC** on this calendar. Then there is the little faster and farther group which will be in **RED BOLD** on the calendar. The rides in **BLUE** will have both groups staying together, having breakfast, dinner, and spending the evening together, but riding separate. This will hopefully make for a more enjoyable riding experience for everyone regardless of your riding style.
