

2024 Benefit for

Dear Friend, Community Member, & Supporter,

The 2024 benefit for Make-A-Wish Wisconsin will be held on October 12, 2024 at the Washington County Fair Park & Convention Center in West Bend, WI. Since 1980, Make-A-Wish has been granting wishes of those that need hope, love, and support. Children must be between the ages of 2 and 18 to become eligible to receive a wish. Children can be referred from three different sources:

- Medical professionals treating the child
- A parent or legal guardian
- The child themselves

Our mission is simple, provide the funds to make wishes come true right here in Wisconsin! Families in our community are struggling, dealing with the unimaginable, and we can make a difference with your help. This event started 15+ years ago and was originally hosted in Antigo WI. In 2021, it was relocated to Washington County Fair Park & Convention Center. Part of our event is a local guided ATV/UTV ride to bring awareness and support to our community and ends with an evening dinner, raffles, auction, and many laughs. In 2023 we were able to raise more than \$28,000 for our single day event and grant wishes for families right here in our community.

We are looking to expand and need your help!! Please consider making a donation, whether monetary, raffle item, auction item, or assist in promoting our event. Thank you for your consideration and we hope you can join us for our day ride and/or evening for dinner, raffles, and auction. Auction items will be available to bid on through the Give Smart App, closer to the event (Follow us on Facebook Wisconsin ATV/UTV Charity Ride for details when they are available).

If you would like to contribute or have additional questions, please contact one of our volunteers (Call or Text): Ryan – 920-838-1990 or Brittany – 262-343-2618 or email makeawishcometrue23@gmail.com.
