ABOUT KMATVA

Location

KMATVA was formed in 2006 and is located in Washington County, Wisconsin with meetings held on the first Thursday of the month.

Purpose

The purpose of KMATVA is to promote ATV/UTV recreation as a safe and ethical riding and social experience, open to all ages and abilities, while fostering a positive public image.

Public Involvement

To help maintain a positive public image, we participate in local parades and sponsor a section of "Adopt a Highway" which we clean up twice a year. We also make a considerable donation to the Kewaskum Community Pantry and have raised over \$200,000 with our charity ride. We are active in maintaining a positive image and serving our community.

Rides

Riding is what it is all about. We have local rides around the Kettle Moraine and surrounding areas. Trail riding "up north" however, remains our main interest. We have monthly planned rides in the Northwoods all year long. Extended vacation rides are planned every few years as well. We have been to The Hatfield-McCoy trails of West Virginia, Hancock MI riding to Copper Harbor, The Black Hills of South Dakota, and Paiute Trails in Utah.

Friendships

For those who love to ride but are no longer able, the friendships made are what bonds our club together. We have members who partake in the social activities mainly because of the friendships made over the years.

Safety And Education

We offer at least one ATV/UTV safety class a year. Young riders are instructed in safe and proper operation while instilling respect for the trail system, the environment and the landowners without whom this would not be possible.

Get Involved

There are many opportunities to get involved at any level you wish or none at all. We have committees from government relations and fundraising, to planned rides and social activities. We are governed by a President, VP, Secretary, Treasurer and 5 Executive board members. There is plenty of room for professional growth and participation of your choosing.
